

# Cloud-based ID Card Solution

O'NEIL's ONEcard solution enables you to create and deliver highly customized ID Cards for your target audience, and control your ID Card production process from card design, card proofing, ordering and tracking.

ONEcard allows you to edit ID Card templates, edit and proof each ID Card, Hold, Suppress, redirect and a sophisticated approval workflow. ONEcard also will archive all ID Cards for 10 years, and allow you to retrieve any member's ID Card, 24 hours a day, 7-days a week.

O'Neil will manage your entire ID Card workflow. We produce millions of full-color, Teslin and Plastic ID Cards, with a variety of carriers. Please give us a call for a demo of our ONEcard online ordering system and to find out why some of the largest healthcare and other major organizations are trusting O'Neil with their ID Card production.
